CLEANING LIST

IMPORTANT

Please note the parish has always contracted a cleaner to take care of the parish centre, foyer and toilets. This cleaner will now also vacuum the church. Therefore all that is required of you is listed below.

- 1 Dust church seats, sweep wooden floor onto the carpet (the contractor will come along after you and vacuum the carpet). Please note if you are cleaning outside of the requested hours then you will also need to vacuum the church.
- 2 Dust Altar, window sills, choir etc.
- 3 If candle wax on carpet, remove as much as possible and then use warm iron over brown paper or paper towel.
- 4 When fresh flowers are used, please arrange for someone to top up vases and remove dead flowers.
- 5 It would be appreciated if cleaning rags can be provided by group members.
- 6 Please report any damage or problems to Melonie at the parish office.

Thank you for your continued support in this role. If you feel that your group is becoming too depleted please let me know and I will endeavour to source additional helpers.
